Re: California Public Records Act Request

This letter shall serve as a response to your California Public Records Act request received by the Lake County Sheriff's Office. The following is responsive records to your request.

Currently our database does not separate Use of Force statistics by type of force, number of persons force used against, complaints reported, or complaints sustained.

California Public Records Act, clearly states we are not required to create documents that do not currently exist.

However, the responsive, requested items are under review for possible creation and disclosure. I am currently waiting on a decision to see if the Records Bureau is granted permission to create the documents.

You can search the Lake County Sheriff's Office website located at: lakesheriff.com, where you will find Use of Force cases listed for public review responsive to SB-1421.

The Item numbers which are responsive on your request to the creation of "new" documents are:
1, 2, 3, & 4

Item 5. The policy manual for the Lake County Sheriff's Office: is attached for your review

Item 6 is maintained by the Lake County Administration Office.
You can reach the Administration Office by calling (707) 263-2580 Monday - Thursday 8am - 5pm

In regards to items: 1, 2, 3 & 4 another extension to July 12th, 2019 is required.

Sincerely,

Brian L. Martin
Sheriff - Coroner
